The Hopkinton Police want to issue a warning of a COVID-19 Scam where individuals are going door to door claiming to test people for the virus. It is reported they are driving a white van and wearing Hazmat suits. While inside the houses taking fake vitals they are stealing items out in the open. Please be aware there are no organizations going door to door testing people. If you see these individuals please *CALL THE POLICE IMMEDIATELY*.

Anyone with Information or Questions, Please contact the HPD Detective Bureau Tip line at 508-497-9785 or detective@hopkintonpd.org
