

Message from Chamber President, Crisitina Morrissiey

Hello Hopkinton Chamber members and community, The Chamber continues to monitor the COVID-19 situation and the impacts to our Chamber business members and town. The Chamber Executive Board and Committee Chairs look to share relevant information as it becomes available, are assessing the continuity of Chamber initiatives during times of social distancing and brainstorming new ideas to support businesses during closures and/or limited interactions. In difficult and uncertain times like this, it's even more important that we come together and **support all local businesses!** If you're a local business owner, know someone who is, or just want to help support, then please feel free to reach out to the Chamber, subscribe to our communications, submit newsletter content for your business or share a short video of your offerings during this unprecedented time. Please know, the Hopkinton Chamber is here for you and your business!! We will get through these trying time together!
Best wishes to everyone - stay well.
